The latest Tweets from Binary Tradesman (@BiTrader). Follow me & I'll follow you back :) - I am a binary options day-trader and will post funny articles or images about financial people and topics. #teamfollowback. I am in the web, dude Binary options brokers offer different types of financial products, starting with currency pairs like in the Forex market and ending up with individual stocks, gold, oil, other commodities, indices like S&P500 and Djia in the United States, and so on. However, besides the economic news, other news affects trading too.
