There are many books about how to write erotica, but what sells for new authors in 2018? I've written under various pen names in most of the main erotica genres and it's time to reveal everything I know! There is such a huge market for erotic short stories on Amazon and erotica is the best performing genre on the site. 2. Short stories don't take as much time to write as novels but can still be priced fairly high. Erotic fiction is very popular, but finding ways to promote erotica ebooks can be a challenge. The standard means of promoting an ebook are often blocked for writers of erotic stories. You can forget Bookbub and Kindle Direct Publishing pay-per-click advertising for anything to do with sex stories.
