To Change a Mind: Parenting to Promote Maturity in Teenagers is a follow up to Dr. McKinnon's An Unchanged Mind: The Problem of Immaturity in Adolescence. The book provides strategies for sound parenting and options that are available for dealing with troubled adolescents. Packed with examples and sensible and practical advice for parents of pre-teens and teenagers, To Change a Mind is an essential guidebook for parents seeking to make their lives--and the lives of their children--richer and more fulfilling, as the family navigates together the potentially treacherous seas of adolescence....more Packed with examples and sensible and practical advice for parents of pre-teens and teenagers, To Change a Mind is an essential guidebook for parents seeking to make their lives—and the lives of their children—richer and more fulfilling, as the family navigates together the potentially treacherous seas of adolescence.
